Data collection, usage & protection: We collect basic patient information from online forms, online appointment scheduling, patient portal, via patient calls & from in-office forms to facilitate accurate and personalized communication, including name, email, cell phone number, address, zip code, and date of birth. We use SMS to enhance patient care and communication. Patients receive appointment reminders, treatment follow-ups, and health-related notifications directly to their mobile phones. Our messaging prioritizes timely, essential information for patient convenience and engagement, ensuring easy access to dermatology services and updates. We are committed to protecting patient data with robust security measures. All collected information is safeguarded using industry-standard encryption and access controls, helping ensure compliance with healthcare privacy regulations (e.g., HIPAA) and maintaining the confidentiality of patient information.

Terminating Services			
(initial)	All the providers at DSSC value a meaningful and productive relationship with our patients. Unfortunately, there are occasions when this is no longer feasible. Please be advised that the Practice reserves the right to terminate the provider/patient relationship for the following reasons: 1. Multiple cancellations or missed appointments. 2. Medical Non-Compliance, including violation of Therapeutic Drug Agreement. 3. Failure to comply with practice policies. 4. Rude, abusive behavior, use of obscene language, mistreatment of staff in person or on the phone. 5. Failure to pay a debt/account sent to collections.		
If the relationship is terminated, you will be notified in writing. Your provider will provide emergency medical care for 30 days following the date of the written notice and will send medical records to a new provider with a written release.
